About Barhale

Who are Barhale?

Barhale is a business founded on family values having been established by our Chairman, Dennis Curran in 1980. We are one of the largest privately owned civil engineering and infrastructure specialists in the UK, with over 40 years of experience in providing design, civil engineering and maintenance services working across multiple sectors including:

- Water
- Transport
- Built environment
- Energy

We operate as a tier one partner for blue chip, regulated and private clients, working as part of large frameworks, joint ventures and alliances, as well as on individual standalone projects, developing long-term relationships based on delivering to the Barhale values which have been integral to our business since their inception in 1985.

Our direct delivery model is at the core of everything we do, as we believe that people are our greatest asset. Therefore, we robustly source, train and retain all our own frontline delivery teams as well as management and support services. We employ over 1,200 employees nationwide.

We possess a range of specialist skills to support our civil engineering and infrastructure activities, including:

- Tunnelling
- MEICA
- Temporary and permanent design
- Steel-fabrication
- Signs (design and fabrication)
- Health & safety equipment and products including PPE
